

LOMA VERDE LAND DESIGN RE: CITRUS TREE GLEANING

We will be offering a tree trimming and gleaning service for the 2021 season. Plans are to start the middle of March as the fruit is not ready yet. Citrus should be gleaned by the end of May. This will include trimming the citrus and removing all the fruit. The fruit then goes to St. Mary's Food Bank. Last year we took in over 15,000lbs of fruit.

Please fill out what you would like done with your tree or trees below and submit a check with this signed form:

Prices are as follows

Average sized trees \$75 _____

(This is to trim the outer canopy and glean the citrus fruit)

If the homeowner wants the tree severely pruned we will give them a quote then

Trees that are smaller \$40 _____

Gleaning Only \$45 _____

(For the Homeowner that doesn't want their trees trimmed)

Tree trimmed only - (Get quote from Loma Verde)
